Dear Valued Patient,

I hope this message finds you well. I am writing to share an important update regarding my practice, as I will be relocating out of Texas. Effective **June 1, 2026**, I will no longer be providing care at Academic Medical Associates.

It has been an honor to be part of your care, and I am sincerely grateful for the trust you have placed in me.

Academic Medical Associates will continue to operate and provide comprehensive care. Patients who wish to remain with the practice can inquire about establishing care with Dr. Stephen Pratt or La'Quisha Colby, FNP. However, appointment availability may be limited and cannot be guaranteed. To explore available options, please call **972-445-9515** or visit **www.amaTXmed.com**.

You also have the right to choose a provider outside of Academic Medical Associates. If you elect to do so, we encourage you to establish care with a new provider as soon as possible to avoid any interruption in your care.

**Medical Records:**

You are entitled to receive a copy of your medical records. Upon written request, your records can be provided to you or transferred to a provider of your choice in accordance with Texas law. To request your records, please contact our office at **972-445-9515** or submit a written request.

**Prescription Refills and Urgent Needs:**

Through May 31, 2026, I will remain available for urgent medical needs, prescription refills for established ongoing conditions, and care coordination to support a smooth transition.

**Emergency Care:**

If you are experiencing a medical emergency, please call 9-1-1 or go to the nearest emergency room immediately.

Thank you again for allowing me to participate in your care. I wish you continued health and well-being.

Warm regards,
